

Applicant : Timothy J. Flohe  
Appln No. : 10/051,484  
Page : 6

### **REMARKS**

Claims 6 and 21 have been amended, claims 8 and 14-17 have been cancelled, and claims 22-25 have been added. Claims 1, 11-13 and 18-20 were previously canceled. Accordingly, upon entry of the above amendments, claims 2-7, 9, 10 and 21-25 will remain pending in the application.

#### Double Patenting

Claims 3-6, 8-10 and 21 have been rejected under the judicially created doctrine of obviousness-type double patenting based on Figs. 2-12 of U.S. Patent No. D 472,183.

Submitted with this Amendment is a Terminal Disclaimer which overcomes the double patenting rejection.

#### Amended and New Claims

Applicant has amended independent claims 6 and 21, and has presented new independent claim 22 in order to more clearly and concisely define that which Applicant regards as his invention.

#### Supplemental Information Disclosure Statement

Applicant has filed, on the same date as this Amendment, a Supplemental Information Disclosure Statement. Accordingly, Applicant requests that the Supplemental Information Disclosure Statement be taken into consideration before taking any further action.

### CONCLUSION

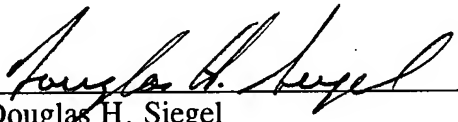

In view of the above amendments and remarks, it is respectfully submitted that the application is in condition for allowance and notice of the same is earnestly solicited.

Respectfully submitted,

TIMOTHY J. FLOHE
